EDITH COWAN UNIVERSITY

Higher Degree by Research

Doctor of Philosophy
(course code L61.4)

Research Proposal:

The Title

Edith Cowan University
School of Medical and Health Sciences
Qualification: PhD in Exercise and Sports Science

Author: Name and surname
Student number: 12345678
ORCID: 0000-0000-0000-0000

Supervision
Principal Supervisor: Prof. Max Mustermann
Associate Supervisor: Dr. Max Mustermann

Location: Perth, WA, Australia
Date of submission: month 202X

Declaration Page

I certify, to the best of my knowledge, that this manuscript:

- does not contain any material previously submitted for an award in any institution of higher education without acknowledgment;
- does not contain any material previously published or produced by generative artificial intelli-gence or another person without appropriate acknowledgement;
- does not contain any defamatory material; and
- meets the academic integrity, research governance and ethical standards required of the University.

Funding Acknowledgements

This research is/was supported by the ECU Higher Degree by Research Scholarship.

Acknowledgements

Acknowledgment by the Candidate of co-authored work, help received, or work carried out by any other person or organisation, for example: editing services, a research assistant, web designer or technical support. Full acknowledgement of the role of any person or people who provided support needs to be attributed in the thesis.

Conflict of interest statement

None of the authors had any financial or personal conflict of interest with regard to this study.
