
Higher Degree by Research

Doctor of Philosophy
(course code L61.4)

the title

Edith Cowan University
School of Medical and Health Sciences
Qualification: PhD in Exercise and Sports Science

Author: Name and surname
Student number: 12345678
ORCID: 0000-0000-0000-0000

Supervision

Principal Supervisor: Prof. Max Mustermann
Associate Supervisor: Dr. Max Mustermann

Location: Perth, WA, Australia
Date of submission: month 202X

EDITH COWAN UNIVERSITY School of Medical & Health Sciences

Declaration Page

I certify, to the best of my knowledge, that this manuscript:

- does not contain any material previously submitted for an award in any institution of higher education without acknowledgment;
- does not contain any material previously published or produced by generative artificial intelli-gence or another person without appropriate acknowledgement;
- does not contain any defamatory material; and
- meets the academic integrity, research governance and ethical standards required of the University.

Conflict of interest statement

None of the authors had any financial or per-sonal conflict of interest with regard to this study.

Acknowledgements

Acknowledgment by the Candidate of co-authored work, help received, or work carried out by any other person or organisation, for example: editing services, a research assis-tant, web designer or technical support. Full acknowledgement of the role of any person or people who provided support needs to be attributed in the thesis.

Funding Acknowledgements

This research is/was supported by the ECU Higher Degree by Research Scholarship.

A Appendix A
